

# PRO-LIFE

As a Christian, I believe in the sanctity of life and that it must be protected. While I recognize the passion on both sides of the issue, I believe God makes no mistakes and all life is precious, beginning at conception.

I will draft and sponsor a Constitutional Amendment mirroring proposals introduced across the nation — to include Michigan — that would make it illegal for doctors to perform abortions once a fetal heartbeat is detected. Long-standing science and medicine dictates that is around six weeks of pregnancy.
