

THE SECOND AMENDMENT

A well regulated Militia, being necessary to the security of a free State, the right of the people to keep and bear Arms, shall not be infringed.

Second Amendment, U.S. Constitution

As a lifelong gun owner, outdoorsman, hunter and someone who understands the fine line between freedom and tyranny, I am absolutely opposed to any infringement on our right to keep and bear arms. That includes the recently proposed and very dangerous Red Flag Laws.

I will fight to my last ounce of my being to protect our Second Amendment and will not stand for ANY abolitions, confiscations or restrictions regarding gun ownership.

Not now, not ever. Period.
