**Sheriff David Clarke Endorses Mike Detmer for the U.S. House
of Representatives in Michigan's 8th Congressional District**

Sheriff (RET) David Clarke Jr. released the following statement:

“Its nut-cracking time in Washington DC. Our freedom, liberty and the Constitution are under constant assault by an anti-American, cop-hating Progressive Democrat Party. They want to confiscate our guns, take away due process, control free speech and they have no respect for the rule of law. President Trump has sent out the call. He said he needs more conservative Republicans in Washington to help push his America First agenda through Congress.

Michigan was instrumental in getting Trump elected. Now in 2020, you have a chance to put people in Congress who are 100% committed to the President’s agenda. I found such a candidate.

I seldom do endorsements and when I do I take time to vet the person carefully. Talk is cheap. I peel back the layers to determine if I want my name attached to a candidate because the people of that state have to live with the result. In other words, can the person be trusted to live up to what they promise like President Trump has? Are they who they say they are, will they keep their word, and are they unshakable?

As a 40 year law enforcement executive who served as Sheriff, those values are very important to me. I bet you share those same values.

I have found such a candidate in Mike Detmer. He's solid. His private sector background is what is needed to break up the status quo in Washington. I always say that if you vote for a career politician, you'll get political behavior and politics as usual.

Mike Detmer will stand with Michiganders and the President on illegal immigration and securing our southern border. Mike Detmer will vote to make the tax cuts that have spurred the economy permanent in the next Congress. He won't be afraid to push back on GOP members of Congress who do not fully support this President. He's the kind of candidate that will represent the people of the 8th Congressional District with honor and distinction. He will always put the interests of his constituents FIRST and weave them into the national interests on votes that affect the nation.

That's why I am interested in who Michigan sends to Washington. Your vote here will eventually affect every American. For these reasons I confidently endorse Mike Detmer to be your next representative in Congress in the 8th District. I ask that you join me by giving him your vote. This may be your last chance to help President Trump crush the dangerous Progressive movement."

Mike Detmer, a longtime supporter of Sheriff Clarke and their shared conservative agenda, was thrilled to receive Clarke's endorsement.

"What an honor and Privilege it is to have America's Sheriff David Clarke Jr.'s endorsement," Mr. Detmer said in a statement. "He is a champion of conservatism a defender of law enforcement and a warrior for our fellow patriots across this country."

Mr. Detmer, a husband and father of two, is a native of the 8th Congressional District and currently calls Livingston County home. His wife, Kriston, works as a Realtor while Mike supports the family with his work in the automotive industry. They are the parents of two children Zach, 22, and Ainzley,15.

Sheriff Clarke will be appearing at an event on February 1st in support of candidate Detmer.
